

NSW Large Coastal Centre, Non-corporate, Mixed billing practice, 65% of billings

Live and work surrounded by beautiful beaches, wineries, in a thriving city centre, 2 hours from Sydney.

### **The Location**

With the heritage of one of Australia's oldest settlements, this is a modern, vibrant, welcoming city located in the centre of a wine growing area, wrapped up by a beautiful coastline and beaches, two hours drive from Sydney.

You will enjoy a relaxed lifestyle with all the benefits and comforts of a large city with classy cafes, restaurants, art galleries, and a range of recreation activities.

You will have access to outstanding education facilities and world class healthcare facilities.

The region offers a variety of living options for all lifestyles, whether you would like to live by the beach, or in the wine region, you will have easy access to the centrally located Practice.

The region has a busy economy with excellent employment opportunities, and a relatively low cost of living.

### **About the Practice**

This is a very well managed city centre clinic which is growing organically based on its long success.

The supportive management allows you to be flexible in the hours that you work and will encourage you to develop your special interest. There are excellent processes in place to ensure excellent patient flow.

The practice currently offers: Family Health; Mental Health; Clinical Psychology; Skin Cancer; Prevention and Management; Travel Medicine and Vaccinations; Specialised services in Women's Health; Injury Management; Employment, Insurance and RMS Medicals.

This is a great opportunity for you to find that work / life balance, working in a beautiful city where you can choose between city, rural and coastal living, with a job that finishes at 5:00, giving you time to enjoy that lovely outdoor lifestyle.
