Flexible Flights

We are delighted to offer our clients complete flexibility by offering a choice of regional airports and a full range of flight options which allows us to offer a bespoke service and enables us to personalise a package to suit your needs. Here is a summary of some of the differences between the flights which we are able to offer:

Charter flights We can offer charter flights from every UK airport. Although charter flights can be restricted with durations, nowadays more frequent flights are available, which allows us to be more flexible with the durations which we offer.

Low-cost airlines when booked in advance can often offer the most competitive prices. These airlines do not include in-flight meals or drinks and baggage will need to be prebooked and paid in advance.

Scheduled flights allow great levels of flexibility and high standards of service. They include meals and most drinks are complimentary. Please ask when booking about flight upgrades.
