SMALL SHIP CRUISES

THE BOUTIQUE CRUISING CONCEPT

These relaxed and friendly cruises for people who like to discover new places, unwind and enjoy good company are the opposite of big ship cruising.

You won't feel like you are lost in the crowd, rather that you can enjoy your own individual experience. You certainly won't need a dinner jacket here - the dress code is casual and relaxed and the atmosphere is always relaxed and friendly.

YEAR-ROUND DESTINATIONS

Our cruises operate all year round. In the summer, there is nowhere better than the Mediterranean, with its relaxed culture, clear turquoise waters and warm climate, where we offer a variety of popular destinations, with a focus on Croatia, Turkey, Greece & Spain/Portugal.

Many of our itineraries visit more than one country. We also offer all-year-round Nile Cruise and worldwide cruises to the Seychelles, Cuba and Costa Rica as well as an Icelandic Cruise.

Our itineraries vary enormously - for full details visit our website:

ADRIATIC CRUISES

There is no better way to explore Croatia's enchanting Dalmatian coast than on board one of these small ships which combine tradition with luxury. The Croatian coastline is home to countless beautiful islands and historic cities. Foremost amongst these are Dubrovnik and Split where most of our cruises start or end. They are Croatia's most visited cities, and with excellent reason. During your cruise, you will drop anchor on a different island each evening. The choice of islands on your itinerary provides an enticing mix of history, natural beauty and sparkling Adriatic glamour.

ADRIATIC CRUISE & STAY

A cruise and stay holiday offers the best of both worlds, the convenience and luxury of cruising and the joy of being able to spend some time in one place and to explore it in more depth. Dalmatia's stunning cities of Dubrovnik and Split are certainly worthy of further exploration. See page 7 for more details.

We have the expert knowledge and experience to offer a wide choice of different itineraries that you can enjoy individually or combined with a resort for a multi-centre holiday. Please visit our website for more inspiration:

ADRIATIC CRUISE & STAY HOLIDAYS

Cruise and stay holidays offer the best of both worlds - the convenience and luxury of cruising plus spending time in one place and being able to explore it in more depth.

Dalmatia's stunning cities of Dubrovnik and Split are certainly worthy of further exploration. Many people choose to spend a few days in the departure city before their cruise; others prefer to experience the cruise first and spend a few additional days enjoying city life and sightseeing at the end of their holiday. Both of these Dalmatian cities are on the coast so it is possible to combine city life with soaking up the sun and enjoying the clear waters of the Adriatic.

We have included two of our most popular Adriatic Cruise & Stay options for inspiration: a luxurious 3 night cruise on board the 5* M/S Desire combined with 4 nights at the 5* Hotel More in Dubrovnik. Alternatively you could stay in Split for 4 nights before cruising for 3 nights and finishing in Dubrovnik.

However, we also offer the flexibility and expertise to allow you to book the perfect holiday to suit you - simply choose the cruise itinerary of your choice and then choose any city and hotel to stay before or after your cruise. We are happy to tailor for you the holiday of your dreams of any duration. For more information visit our website or call today on 0330 3900 999.

GULET CRUISES

Our beautifully crafted gulets are built from wood in traditional style and are very attractive and comfortable. Sizes vary and the gulets usually have between 4 to 10 cabins. Most of the gulets we use are in the luxury category and are built to a high standard.

Food on board is a highlight and you will enjoy traditional Turkish cuisine with seasonal vegetables and fruits, as well as on-board barbecues with fresh fish and meat. All of our gulets have a large sundeck area for relaxation and have dining areas for informal meals and drinks on deck.

Turkey's coastline is the longest in the Mediterranean. Sailing on board an authentic gulet is the perfect way to explore it, meandering at a slow pace and stopping off en route. You can remain in Turkish waters or cross the Aegean to the Greek islands.

CRUISE & STAY COMBINATIONS

We have put together some of our most popular cruise and stay combinations, offering convenient transfers between the gulet cruise and your chosen hotel.

There is no better way to explore the treasures of ancient Egypt than by taking a cruise on the Nile.

The Nile is widely considered to be the longest river in the world and its northernmost section starts in the deserts of Sudan and flows north through Egypt to end its journey in the Mediterranean Sea. The Nile is at Egypt's very heart - the fertile river valley giving sustenance to her people, most of whom live on the shores of the Nile. NILE CRUISE & STAY HOLIDAYS

A Nile cruise is a unique experience and an integral part of most holidays to Egypt. Fascinating as it is, however, all of that history can prove overwhelming and many people find themselves in need of some rest and relaxation afterwards.

For all of these reasons, we have created a Nile Cruise and Stay programme allowing you to combine a Nile cruise with a stay in Cairo, Luxor, Aswan or one of our Red Sea Resorts. Please see the example options below for your guidance:

LUXOR WITH A NILE CRUISE

Since Luxor is the starting point for the vast majority of Nile cruises and is also one of Egypt's most enchanting cities, it is a popular choice for those who wish to combine a Nile Cruise with a hotel stay. Staying in Luxor allows you to spend longer exploring the tombs of the West bank, as well as to revisit the stunning temples of Luxor and Karnak.

CAIRO WITH A NILE CRUISE

For many people, the highlights of a visit to classical Egypt are the tombs and temples of the Nile and the pyramids of Giza. Furthermore, many of the treasures of the Nile Valley are now housed in the Egyptian Museum in Cairo.
