The Annual Support Package

*Employ 20 new members
of staff for £22,000 a year...*

The definition of insurance

With the same principles of an insurance package you have on your house and car, this is how you can protect your workforce headcount.

Why not pay a quarterly fees, with a whole years warranty?

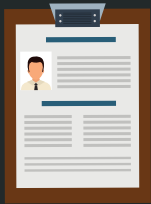

No more wasted money on high one off fees?

The Maths

For a typical workforce of 50 employees:

- Annual staff turnover & new recruits on average will equate to **20 staff**

- With an average recruitment fee of **12.5%** and the average industry wage being **£23,000**

Based on standard recruitment fees, this is what you would be paying...

Your annual fee will be: £57,500

(20 staff x 12.5% of £23,000 = £57,000)

Our product

For an annual fee of **£22,000** you will receive up to 20 new recruits.

Your savings:
£35,500

Payment schedule

Spread your payments over the 12 month period:

1st: payment - £5,500

2nd payment - £5,500

3rd payment - £5,500

4th payment - £5,500
