Our '**Hampshire Healthy Families Community Volunteer**' role provides a number of different opportunities:

**Group and activity support** — you could run a Ready Steady Mums walking group, or support our Five to Thrive and Henry workshops;

**Child health clinic support** — assist health visitors and families at clinic sessions, promoting key public health messages to parents;

Volunteering with Barnardo's is a great way to help vulnerable children and support families.

Help us extend and enrich our work, and ensure better outcomes for more children.
