

FAMILY WELLBEING PACK - DURING COVID19

HEALTH VISITING

We aim to offer the best service to our families at this unprecedented time.

For health visiting contacts, we will be in contact with you as we would normally and will discuss with you, whether a home visit is necessary and if you are symptom free of COVID-19.

If you have already received an appointment letter we will contact you to discuss whether this will now be a face to face or video contact. If you are concerned that your baby is not gaining weight then we will have a conversation with you to assess feeding and your baby's health and can organise a socially distanced weighing if we feel that it is necessary.

We are here to support with worries about your baby/child but also yourself. This is a difficult time for us emotionally and can be quite overwhelming. Do not suffer alone, please call for support. The offices are being manned so please call your usual Health visiting number for any advice.

We also have our CHAT Health text advice line on 07520 615720. This service is provided by a duty Health Visitor 9-4 Monday-Friday excluding bank holidays. We offer general Health Visiting advice and can signpost you to other services if necessary.

Hampshire Healthy Families website- <http://www.hampshirehealthyfamilies.org.uk/> with our partner Barnardo's has information and resources that will be kept up to date at this time. This includes details about online groups to support parents at this time.

These online groups include introduction to solids workshops, Five to Thrive programme & others

Infant Feeding advice is available via Chat Health, your health visiting service and also by contacting The National breastfeeding helpline on 0300 100 0212

(09:30 am to 09:30 pm every day)

www.nationalbreastfeedinghelpline.org.uk

General parenting advice

<https://ihv.org.uk/families/top-tips/>

Immunisations – the programme is still running as it is very important: please check with individual surgeries

The school nursing service offer 2 ChatHealth text advice lines:

- parents of school aged children on 07507 332417
- young people between the ages of 11-19 on 07507 332160

The messages are delivered to a secure website.

Once received, the school nurse will respond to the text within one working day.

This service is provided by a duty School Nurse 8:30 – 4:30 Mon-Fri.

HOW CAN I MAINTAIN MY OWN MENTAL WELLBEING DURING THIS DIFFICULT TIME?

During these times it is really important to allow space for self-care. Try to view this time as a challenge and not a crisis. Use it to make a positive difference to your life by enjoying pastimes you don't usually have the opportunity for and to catch up with those tasks you are always meaning to do.

Some examples are:

Read books

Cook / Bake

Play board games/puzzles

Do jobs you've been meaning to do.

Virtual gatherings with friends

Listen to music

Learn a craft on YouTube – knitting, crocheting, needle felting, woodwork

Go for a bike ride or a walk to the local park

Gardening
