

# Updates & the Term Ahead

# NEWS

SPRING/SUMMER 2017

## Welcome to our Spring/ Summer Newsletter

We have had a busy few months and the children are getting ready for the spring and summer seasons ahead!

### Staff

This term has seen a few changes, albeit good. A very big welcome to Gemma, our new nursery manager, who's experience and dedication, already shown, will contribute to the care of children at Huggetts.

Also a very big welcome to Hannah, our apprentice, who has already proven to be a great asset to the Huggetts team.

### Extra Clothes

Please can you ensure your children have spare clothes as they will be participating in water play activities, which have proven very popular in the past.

### Nursery Improvements

We are always striving to improve any element associated with our nurseries. Huggetts will soon be having a make-over, however this would not interfere with the normal running of the nursery.

### Transition to a New School

We will be developing links with 'feeder schools' and sharing transition records, which will ease the transition period of your child, at their new schools. If you would like any further information, please speak to Fay or Katharine, who will gladly answer any questions you may have.

### A Request Please

If you have any toys, books or games that your children are no longer using, please can you donate them to the nursery, if possible. We would appreciate it. Thank you.

### Key Reminders

Can we remind all parents to bring in **sun cream and a hat**. Unfortunately on warmer days your child's time in the garden will be limited or restricted if they do not have these.

As you know we follow strict child/ carer ratios, please remember when dropping off or collecting your child the sessions begin/end times must be adhered to. This ensures all rooms are in ratio at all times and the staff shifts fit accordingly. Therefore can I please ask that you do not arrive with your child before their session begins and ensure they are collected by the time their session ends, this way we can ensure the safety of all the children in our care.

Thank you.
