

THE GRANGE

NURSING HOME

NURSING & RESIDENTIAL CARE HOME

72 Upper Northam Road
Hedge End, Southampton SO30 4EB
Telephone: 01489 790177 • Fax: 01489 790201
Email: carolynr@tgnh.co.uk

LOUNGE

The Grange offers comfortable living in well appointed spacious lounge areas, giving plenty of opportunity for social interaction with other residents, family and friends. However we appreciate that during your quiet times you may prefer to stay in our own room.

DINING ROOM

A varied menu of delicious home cooked meals and special diets are served in our bright airy dining areas.

BEDROOMS

We offer a selection of attractively furnished single and companion bedrooms, the majority of which have en-suite facilities. All rooms have an easy to use call system.

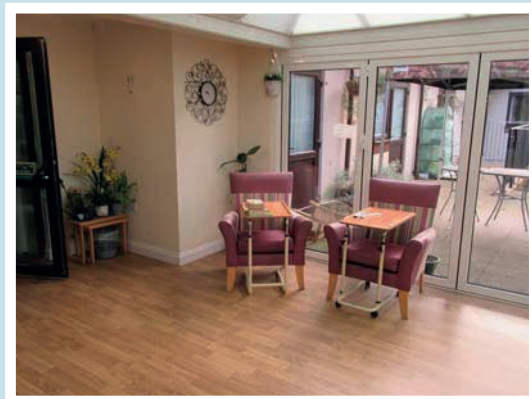

RESIDENTS GROUP

This is your home and to enable us to provide the service you want we rely on the ideas put forward by our residents group. This group meets regularly to discuss the burning topics of the day. The residents group runs alongside our popular relatives group.

GARDEN ROOM

Our Garden Room is a quieter place where you can spend time with your friends and relatives, also used for private functions and parties.

CONSERVATORY

Relax in our spacious conservatory overlooking the terrace.

GARDEN

The attractive garden and terrace provide a peaceful place in the sun and are enjoyed by residents and visitors alike.

THE GRANGE

The Grange has an excellent working relationship with local GP's, opticians, dentists and chiropractors. Physiotherapy can be arranged if required.

There are registered nurses on duty 24 hours a day and the home operates a system of team nursing.

ACTIVITIES

We have an extensive range on offer daily which is managed by our mental health nurse specialist and full time activities organiser.

TRAINING

We recognise the need to ensure that our staff are offered support and training to develop their clinical skills and to facilitate this all our staff, both trained first level nurses and health care assistants, are offered individual training packages. All care staff are given the opportunity to undertake NVQ training, the home is a City & Guilds Centre.

Trained staff are encouraged to undertake further training to support them in maintaining their registration with the NMC.

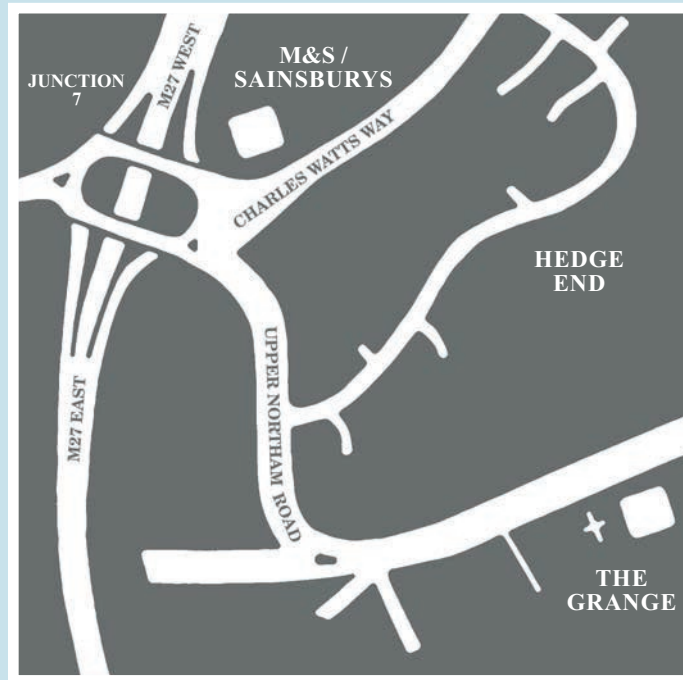

Our staff are handpicked for their skills and clinical expertise so that we can continue to provide and improve the high standard of care for which we are known.

THERAPY

We have our own relaxing therapy room where you can enjoy a massage or a manicure.

WHERE TO FIND US

From Junction 7 of the motorway follow the signs to Hedge End, half a mile along Upper Northam Road, on the right hand side and next to the Baptist Chapel is the Grange.
