## SUNDAYS

*Let us take care of you on your Sunday with a delicious Sunday Roast. Whether it be a traditional meat roast with all the trimmings or a sumptuous vegetarian option, we have something for all! If you don't fancy a roast, no problem, our menu also includes the British favourites*

*Every care is taken to avoid any cross contamination from allergens during preparation. We do however work in a kitchen that processes allergenic ingredients and we do not have a specific allergen free zone or dedicated fryers. We are not a nut free establishment and nuts form part of our menus and are offered freely throughout the restaurant and bars. If you have any specific allergies or concerns, please let us know and we'll do our best to help. We are very grateful for any feedback.*
