

Sparklers Centre of Excellence

Our Offer to Organisations

Sparklers thrives on working with others in sync for improved outcomes. We are keen to link up, partner with organisations, provide Outreach services and bespoke training packages designed to meet the unique needs of each group we work with.

Please contact us to discuss your personalised needs in line with provision for Individuals, your team, training needs and packages or to arrange an outreach support visit to your organisation.

For Training needs, any of the courses below may be delivered as a **2 hours, Half day, Full day, Two Days, Three Days or over a period of Five days**. Prices of courses are dependent on your needs and package.

You are also welcome to join the Association of Special Educational Needs and Disability (ASEND). For more information or to **book a course/training**
