

Guidelines For Young People Working Digitally

During this period of shutdown we want to work digitally to connect, create work and to continue developing our actor training. Once life returns to normal, you might decide that virtual learning is more suitable for you and fits perfectly around your very busy schedule. We therefore intend to continue our online virtual classes indefinitely. In order to deliver our LAMDA preparation and exam classes effectively, we are going to use digital platforms. When using these platforms it is important to protect you and your families and follow our online code of conduct.

As always please remember our company rules:

- Be kind.
- Never use your full name, first names will do.
- Make sure people you are living with know you are on a live video chat. Don't include them in the chat.
- Wear appropriate clothing, even on parts of you that you think won't be seen.
- Remember it's easy to misinterpret things online.
- Refer to a group leader directly if you feel worried about anything.
- Do not record or take photos of anything without the others consent.
- If you are worried about anything message the session leader.

SUBMITTING VIDEOS (REHEARSAL VIDEOS)

- Don't use your full name .
- Don't film things that might reveal your exact address, school or somewhere you go regularly (e.g. a sports club or activity).
