Our children’s dental health membership encourages regular attendance, enabling us to spot problems before they arise, which results in helping your child maintain healthy teeth and gums for life.

The 5 big benefits of joining:

What’s included in your child’s membership?

	Children’s Membership (3-10 Years)	Children’s Membership (11-18 Years)
Number of dental health examinations per year**	2	2
Monthly cost	£9.57	£11.00

How do these appointments help your child?

Dental health examinations provide:

- Thorough examination of their current dental health to catch developing problems early
- Hygiene appointments to remove harmful, hard plaque
- X-rays, where clinically necessary, for an internal examination of their oral health.

We believe this results in the complete package to maintain your child’s oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future.
