

COLOURED BAY WINDOW DESIGNS

Another option if you fancy a coloured fanlight design is to opt for a bay window design which are specially designed to have the look of running through and can be adapted to suit most window designs. These are a more traditional looking coloured lead design of times gone by.

BEVELLED BAY WINDOW DESIGNS

A brand new concept for a bay window design is our bevelled bay window styles. These are a more modern type of bay window, which could also be adapted to suit other styles of windows.

Artistry in Glass

From Concept to Reality

Whatever design you dream of having in your windows, we have the technical ability and know how to bring your dreams to life.

We can take your design, whether it is a picture, postcard or photograph and prepare you an outlined drawing along with colour details for your approval. Once all the details have been approved we can then go on to create your chosen design into a beautifully, hand crafted window display for you to enjoy for many years.

Using a range of over 300 coloured films and four different coloured lead finishes, thus making the options endless for your very own unique creation.
