

Surrey Heartlands Authored Papers Jan 2023 – 31 March 2025

To showcase the range of primary care expertise in Surrey Heartlands, the Surrey Training Hub Library Services have compiled a report of authored papers in the medical health databases. Searches were carried out in key healthcare databases including Medline, CINAHL, Emcare, EMBASE, BNI, PubMed and Cochrane. The database search is limited to Surrey Heartlands in the institutional field and is for the year Jan 2023 to 31st March 2025.

The Surrey Heartlands authors are emboldened and divided into two sections for ease of use: 'General Practice' and 'Surrey Heartlands and Associated Networks'. Most of the articles are Open Access and are denoted by the Open Access symbol:
