

# LIGHT POLLUTION

**Light Pollution** or **Light Trespass** can be **soul-destroying** for those who have to suffer it.

**THE MAIN CULPRITS ARE:**

SECURITY LIGHTS

SPORTING VENUES

ARCHITECTURAL LIGHTING

LASER SHOWS & INSTALLATIONS

**HOW DEVASTATING IT CAN BE  
DEPENDS ON:**

- how **often** it happens
- how **long** it lasts
- **when** it happens
- **whether** it's in the town or country

**Complaints** can be **registered** with your **Local Council**. You may have to detail:

- WHERE THE LIGHT SHINES;
- WHAT TIME THE LIGHT SHINES;
- HOW MUCH LIGHT SHINES; AND
- ANY ECOLOGICAL IMPACTS.

It can have a dramatic effect on  
**People the Environment & Wildlife**

SmartLouvre

OFF

You **CAN** switch off **Light Pollution & Light Trespass**.
