

West Sussex Partnership

Cost-of-Living Survey Assets

At Arun & Chichester Citizens Advice, we've been closely tracking how rising living costs are affecting local people. This year, we've partnered with Citizens Advice in West Sussex (North, South, East) to take this important work county wide.

We're asking residents across West Sussex to complete our Cost of Living Survey so we can better understand the challenges people are facing and how these are changing over time. The insights gathered will directly shape how we support our clients, our communities, and the services we deliver.

This is our fourth annual survey, so even if someone has taken part before, we encourage them to complete it again. Each response helps us understand how the cost-of-living crisis is evolving.

Please find below some **approved captions** to use alongside our premade social media assets, to spread the word about the survey.

For more information about the survey, or to download our assets, please visit www.arunchichestercab.org.uk/current-campaigns.

To take the survey, please visit www.arunchichestercab.org.uk/current-surveys.

Thank you for your support.
