THANK YOU!

Welcome to the 15th anniversary of Yateley's favourite weekend! This year marks a new chapter for this incredible community event and we are incredibly proud to be stepping in as your new Co-Chairs for 2026. Last year, we bid a fond farewell to several members of the organising committee including Colin and Brenda Ive. Their years of dedication transformed this event into a local institution, and we are honoured to carry that torch forward.

To keep the festival's spirit alive while evolving for the future, our organising committee is now a perfect blend of experience and innovation. We are supported by a core group of long-standing members who hold years of event wisdom, alongside several newer members who have joined us this year to bring fresh energy and ideas to the team. Every ticket you buy makes a tangible difference. Proceeds from Gig on the Green continue to drive the development of ambitious new sports facilities at Yateley United Football Club, based at Sean Devereux Park. Your support is building a lasting legacy for local families.

An event of this scale is a massive team effort. We owe a huge debt of thanks to our sponsors whose generosity keeps the music playing, our fellow volunteers on the organising committee for their tireless work and you, the gig-goers for making this event such a vibrant success.

The highly acclaimed Mike Andrew is one of, if not 'the' No 1 Robbie Williams impersonator in the world gaining recognition from Robbie Williams himself where he said, "I don't know where he starts and I end. . .", and Robbie's father, Pete Conway.

Mike's extremely unbelievable resemblance to Robbie, including his mannerisms, his look, even his cheekiness on stage, not to mention his vocal similarity, (it's actually quite spooky!)-are second to none.

Mike was previously at Gig on the Green in 2017 and 2019 and we look forward to having him back as our Sunday headliner in 2026!
