

Finance-Ready Checklist

Use this before applying for scaffolding finance and get funded faster.

ESSENTIALS

(These are the must-haves)

Basic Business Details

Full business name, trading address, company registration number, contact details.

Finance Amount & Purpose

How much do you need – and what for? Materials, a van, VAT, working capital?

Asset Info or Quote

If you're buying something specific, get a supplier quote or a basic spec. Lenders need to know what's being financed.

Business Bank Statements (Last 3-6 Months)

To check income patterns, outgoings and affordability

Latest Filed Full Accounts

Gives lenders a full view of the business and is often required for underwriting.

Up-to-Date Management Accounts

Profit & Loss and Balance Sheet – lenders want to see up to date financials.

NICE TO HAVES

(These speed things up or improve your chances)

Business Pipeline or Work-in-Progress

Helps lenders understand your cash flow and confidence in future income.

Proof of Contracts or Upcoming Work

Especially useful if you're taking on new sites or projects.

Copy of Latest Hire Statement (if charging up hire gear)

Helps clarify what materials are owned vs. hired and how much the hire is costing you.

ID & Proof of Address

For directors – passport or driving licence and a utility bill or similar.

Deposit Contribution (if required)

Not always needed, but having funds ready can speed up approval.

Reminder:

This checklist doesn't guarantee approval but it gives you the best chance of getting funded quickly. If you're not sure what applies to you, we'll guide you through it.
