

## **Privacy Policy/Statement**

The BIPC Committee are committed to maintaining the trust and privacy of visitors to this web site, and to the secure storage and processing of data.

Under no circumstances, are any details passed on to other individuals or companies for marketing purposes.

Any form submissions such as when completing the 'Contact Us' form on the website will be stored in the background Toolkit CMS.

This is the system that allows us to make changes to the website and can only be accessed by a handful of administrators for the site.

The submitted form is routed in the first instance to Paul Dennis, Club Secretary and then to the main point of contact for the particular enquiry within the BIPC community.
