# OUR FANTASTIC 5 STAR REVIEWS

Trustpilot

“Andy was brilliant, very patient and did a great design that matched my brand and you understood what I was trying to do from the very start!

-Spotted Talent

“I am very happy with your service and the design of my website. Emily is a star and very quick at responding my queries.

-All Abstract Art Ltd

“You couldn't improve! It's been a pleasure from the start. After a nightmare experience with another web dev company, the experience has been first class. Thank you.

-Smartlourve

“Amazing support from the design team and my project managers over these 6 months. Thank you for your patience with me. The work is amazing.

-Inkwazi

“It's always a great feeling to know that you have someone by your side who is willing to go above and beyond to ensure that you have everything you need to succeed!

# UPDATING YOUR WEBSITE

Our websites are powered by 'The Toolkit', our very own bespoke Content Management System.

Update your own pages, upload new images, post new blog articles or manage your websites downloadable files 24/7, from any desktop browser.

The Toolkit allows you to:

- 📌 Manage your Search Engine Optimisation (SEO) performance
- 📌 Make unlimited changes without additional cost
- 📌 Review all website form enquiries
- 📌 Manage your mailboxes & passwords

The Toolkit gives you everything you need to manage your website, and is included in your monthly subscription.

If you ever have any problems, or need our help, just email our team and if we can fix things for you inside 5-10 minutes, we'll do them for FREE!

# GROWING YOUR WEBSITE

Our website packages are designed to give you the perfect number of pages, files, mailboxes and images that best suit your needs.

We also understand that it's important for your website to grow with your business. That's why you can request more pages and images when it suits you, and why we offer a range of extras that will help you take your website to the next level.

Quality add-ons for extra flexibility:

## Logo Design

We can design a new 300DPI logo or freshen up your existing logo.

## Email Marketing

Our powerful email tools will help you promote your business for less.

## Expedite Service

If you have a tight deadline, we can fast-track the build of your site.

## Social Media Setup

Generate interest with fully branded social media pages linked to your site.

## Blog

A blog helps to keep your website fresh, with relevant content for Google.
