

THE HILLMAN OWNERS' CLUB

Hillman Owners was formed in 1980 to provide a club which catered for the needs of the enthusiasts of the Hillman marque and derived cars such as the Chrysler, Talbot, Avenger, Hunter and Sunbeam vehicles, together with export models and of course, Commer and Karrier commercials. The club is well established within the U.K and has members in many countries throughout the world. Membership is open to any enthusiast, whether they own a vehicle of the marque or not.

MAGAZINE: Our magazine entitled "Coventry Spires" is published quarterly. It includes many items of interest i.e. articles, area and model reports, members experience, events and meeting details and adverts for cars and parts for sale and wanted.. It is the life line of the club.

RALLIES: The club also organises stands at many events and shows throughout the U.K. and participates in Rootes Archive Centre Trust gatherings. Also, some of our regional organisers take part in local shows, full details are published in "Coventry Spires".

TECHNICAL SERVICES: We have Model Registrars who can advise you with technical details to assist you with repairs and maintenance on your particular model.

RACT: The Hillman Owners Club was a founder member of the ARCC which has now become the Rootes Archive Centre Trust and consists of 12 UK. Clubs and covers the total production of the Rootes Group. Details of all activities of this association can be found in "Coventry Spires".

CLASSIC INSURANCE: ClassicLine Insurance supports the RACT and you will find their advertisement in Coventry Spires
